

Homemade Hot Chocolate Mix

Creator Stacey Little **Prep Time**10min. **Total Time**10min. **Servings:** 42 $\frac{1}{2}$ cup servings

Ingredients

- 1 (20.1-ounce) container Nesquik chocolate beverage mix (about 5.5 cups)
- 1 (16-ounce) container powdered non-dairy coffee creamer (about 3.5 cups)
- 1 (32-ounce) container instant nonfat dry milk (about 7.5 cups)
- 1 (16-ounce) bag powdered sugar (about 4 cups)
- 1 cup unsweetened cocoa powder
- freeze dried marshmallows (optional)

Instructions

- In a very large bowl, combine ingredients well. Divide into individual sealable, food-safe containers. Top with a scoop of freeze-dried marshmallows, if desired.
- To serve, combine $\frac{1}{2}$ cup mix with $\frac{1}{2}$ cup boiling water. Stir well.

NOTE: Can also use $\frac{1}{2}$ cup Hot Milk for richer taste.
